Industries, Inc

...your key to cost-effective, dependable labor solutions

Let Industries, Inc solve your labor needs!

Hiring Options....

If you hire someone directly (on your payroll), we provide training support at no cost to your business

If you hire a small team of workers by contract, we provide a job coach 100% of the time at no cost to your business

A few testimonials....

"It saves me so much time and energy..I couldn't afford to say no!"

Theresa Stenstrom,

*Stenstrom Collision & Detail, Inc,
Mora, MN*

"We are getting our cleaning needs met while providing employment to people who need it- a win-win situation! "

Gerri Slabaugh,

*Adventure Publications,
Cambridge, MN*

We're Cost-effective!

When you hire a team of workers.....

Our teams of workers can free-up your other staff for their specialized tasks

No more absenteeism

Industries, Inc assumes all employer liabilities and is fully insured at your location

.....It's a great business decision!
